E. CANCELLATION AND REFUND POLICIES

STUDENT'S RIGHT TO CANCEL

- You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the 15th calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance. Cancellation of this agreement can occur up to _____.
- Cancellation may occur when the student provides a written notice of cancellation at the following address: **300 Spectrum Center Drive, Suite 400, Irvine, CA 92618. This can be done by mail, hand delivery or email at accounting@sabio.la.**
- The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- If the Enrollment Agreement is cancelled the school will refund the student any pro-rated money, he/she paid, less a registration or administration fee not to exceed \$10.00 after the notice of cancellation is received. Charges, including textbooks, uniforms, etc., that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above) and receive a prorated refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less than the registration or administration fee not to exceed \$10.00. Charges, including textbooks, uniforms, etc., that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. Veteran-connected students will have their tuition pro-rated on a pro-rata basis for 100% of the program duration.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution in writing of the student's withdrawal or as of the date of the student's actual last date of attendance, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or

failure to meet financial obligations to the School.

- The student has failed to attend class for three (3) consecutive days.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three (3) consecutive days. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

REFUND POLICY

If a student withdraws from the program, voluntarily or involuntarily, the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$10.00, and less any unused digital resources, and less tuition that has not been earned. Veteran-connected students will have their tuition pro-rated on a pro-rata basis for 100% of the program duration. For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance during the program. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three (3) consecutive days. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery with the original four (4) year period, unless the period has been extended by another act of law. The Sabio Full Stack Web Development Program is a safe place of work and you should conduct yourself accordingly with the utmost professional integrity.

Any kind of disrespect and/or disruption to the room due to inappropriate behavior or comments may result in your expulsion from the room.

Initials: _____

We do not tolerate harassment of any form. Sexual language and imagery is inappropriate and unwarranted in the training room. **You will be expelled for this behavior.**

Avoid any conversations having to do with politics and religion as this is not the appropriate place for these conversations.

We require that you follow your Senior Instructors directions explicitly with regards to all things code. For example, if your Senior Instructor asks you to rewrite a function to meet our standards, then you are required to follow their instruction explicitly, and do exactly as you are directed, for as many times as you are directed.

Code Reviews should focus 100% of the code and not the developer. Never give anyone one feedback about how “**they** are wrong” or how “**they** should not do XYZ”. Code review is to give feedback to the code and to improve code:

- “If the function were written like...”
- “Wouldn’t the code error if...”
- “Would it be better if...”
- “The code will perform better....”
- “The code will error less ...”

Code can always be improved and as developers just starting out you should be aware that your code will present with ample opportunity to improve. More on code review:
