STUDENT'S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

Veteran students receiving VA funding via the Department of Veterans Affairs will be eligible for a pro rata refund up to 100% of the program.

- Cancellation may occur when the student provides a written notice of cancellation at the following address: Sabio, 300 Spectrum Center Drive, 4th Floor, Irvine, CA 92618

This can be done by mail or by hand delivery.

- Email: accounting@sabio.la your notice of cancellation
- The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- The written notice of cancellation need not take any form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$10.00, after the notice of cancellation is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00.

Withdrawal from the Program/ Refund Policy

For students enrolling directly into Sabio, you may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$10.00, after the notice of withdrawal is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. **Veteran students receiving VA funding via the Department of Veterans Affairs will receive a pro rata refund up to 100% of attendance during all programs.** For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for three consecutive days.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three consecutive days. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

Veteran students receiving VA funding via the Department of Veterans Affairs will be eligible for a pro rata refund up to 100% of the program.

- Cancellation may occur when the student provides a written notice of cancellation at the following address: Sabio, 300 Spectrum Center Drive, 4th Floor, Irvine, CA 92618

This can be done by mail or by hand delivery.

- Email: accounting@sabio.la your notice of cancellation
- The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- The written notice of cancellation need not take any form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$10.00, after the notice of cancellation is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00.

Withdrawal from the Program/ Refund Policy

For students enrolling directly into Sabio, you may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$10.00, after the notice of withdrawal is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. **Veteran students receiving VA funding via the Department of Veterans Affairs will receive a pro rata refund up to 100% of attendance during all programs.** For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for three consecutive days.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three consecutive days. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

Veteran students receiving VA funding via the Department of Veterans Affairs will be eligible for a pro rata refund up to 100% of the program.

- Cancellation may occur when the student provides a written notice of cancellation at the following address: Sabio, 300 Spectrum Center Drive, 4th Floor, Irvine, CA 92168

This can be done by mail or by hand delivery.

- Email: accounting@sabio.la your notice of cancellation
- The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- The written notice of cancellation need not take any form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$10.00, after the notice of cancellation is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00.

Withdrawal from the Program/ Refund Policy

For students enrolling directly into Sabio, you may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$10.00, after the notice of withdrawal is received. Charges, including textbooks, uniforms, etc, that become student property, are fully refundable if the student exercises their Right to Cancel during the cancellation period. For Military Veteran students receiving VA benefits, the maximum retained as a registration fee will be \$10.00. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. **Veteran students receiving VA funding via the Department of Veterans Affairs will receive a pro rata refund up to 100% of attendance during all programs.** For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for three consecutive days.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three consecutive days. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.
